

# OUR FUTURE CHURCH

My pickup hauling water and blue trailer of cement

Pastor Polo

From our last church established, Victory Baptist Church, is leading the work for us.

Next will come the foundation for the new church building..

Hand mixing cement.

We thank the Lord for giving me the ability to engineer, architect and administer the building ministry.

The fence is complete. Notice the beautiful coffee plants with the bright red, ripe coffee beans ready to be picked and processed before we have to remove for the building. LOOKS LIKE CHRISTMAS WITH ALL THE COLOR. MERRY CHRISTMAS TO ALL.
