Dear Pastor and Faithful Supporters,

Bro. Ron

Merry Christmas!

Kathy and I want to wish you a very merry Christmas and a fruitful new year. God has been so good to us as we endeavor to expand our vision and ask Him to increase our passion for Dominican souls. The Bible says "wait on the Lord", which does not mean we are to be idle! Jesus taught us to work while it is yet day! We want to take this opportunity to express our gratitude for your interest in the Dominican people and your faithful support throughout 2011. We appreciate you so much.

Helping The Faithful

We are so privileged to be serving along side Dr. Coss, a veteran national preacher. Dr. Coss has been preaching the word for many years and also maintains a Dental clinic in the city. He provides free dental service for so many needy people. We are honored to be of some help to him as he combats a long illness. Please keep Dr. Coss in your prayers.

God Moves Through The Hearts of His People

Bro. Juan owns several furniture stores in the country. The Lord has abundantly blessed his faithful stewardship over the years. He has recently come to work on our evangelistic team. One day after an evangelistic meeting Bro. Juan took me aside and said, "If you would like to follow me, I would like to show you some property that the Lord has blessed me with." The land just went on and on. He sat down with Kathy and me in a coconut grove. And as we were all eating stalks of sugar cane, Juan said, "Lord willing I would like you to start a church here. There are so many spiritual needs. Won't you please pray that the Lord would guide us along the way? I'll provide everything you need."

Bro. Juan

We have started a new Bible study and expect to start at least two more as the Lord provides materials. These studies later become preaching points, and eventually, local churches as the Lord directs.
