## Missionaries to Brazil

Bill and Sharon

Dear Friends,

October, 2010

**Thank You, LORD!**

**AUGUST** - We celebrated 40 years of marriage on August 15<sup>th</sup>. We thank the Lord for the wonderful years he has given us to serve Him with most of those years being as missionaries to the country of Brazil. We celebrated with the Brazilian Pastors and their families by having breakfast at a restaurant in town.

Pastor Paulo's church only had a metal roof with the rafters showing. In **AUGUST** we helped them buy the materials to lower the ceiling and redo the lights for the church. It looks nice and is cooler now.

**AUGUST**- The church in Caracarai had their first **Youth Conference** and invited the churches from Boa Vista to participate. We had 4 from our church with over 95 total present.

**SEPTEMBER** - There was a special Pastors Meeting at a new church that started in a town called Presidente Figueiredo. We helped the Pastors from our state of Roraima make the trip there. They had a good time of fellowship with the other Pastors and came back revived and ready to continue on in the Lord's Work. There were over 100 people for the Saturday night church service.

**SEPTEMBER** 25th was a time for the ladies and girls of the churches in Boa Vista to get together for a time of crafts and Bible Study. We have the meeting every two months at one of our churches with that church preparing the program. There were 26 present at this meeting. The lights went off during our craft time so it was a little hard to see inside the building, it was hot, and the glue guns didn't work!!

**OUTUBRO** - 32 years as a church was celebrated in Caracarai and had over 138 Saturday night for the special service. Pastor Luiz is doing a good job and they are seeing souls saved and baptized. We started this work in 1978 and we praise the Lord for these people.

**OUTUBRO** - Our church in Alvorada is having a campaign to reach more visitors. Each service we learn Bible verses and add a leaf to our tree and a fruit for visitors. We need more fruit and souls to be saved.
