January - February 2012 Edition

Dear Praying Friends,

We greet you in the name of our Lord and Saviour Jesus Christ! Our furlough time is here! It amazes me that it has already been FOUR YEARS since we last came home to give a report of the work the Lord is doing in Guatemala. Due to the violence in Mexico we were unable to drive to the U.S. as we have done in previous

years. Considering the cost of purchasing airline tickets for the whole family, and Tammy's health with the arrival of our new baby, I decided to take a shorter furlough and to come stateside alone. The churches who had already scheduled us during this shortened time will be visited, and others will receive our DVD presentation in the mail with the new prayer card as seen pictured here. If you need me to visit your church to report in person, please contact me using the information below. I would like to also invite all of our supporting churches to send your pastor and/or a group to visit us and see firsthand God's blessings on the work in Guatemala.

The WORK CONTINUES as I am stateside! The *Iglesia Bautista La Esperanza* (Hope Baptist Church) continues to see souls saved and people coming forward to make public their faith in Jesus Christ as Savior. This is a great time for the young church there in Guatemala to continue to grow and mature without my presence. It is wonderful to hear that things are going well there while I report to our supporters. I have been blessed to see souls saved here, too, such as Jake (pictured here) whom I led to Jesus while I was out shopping. I was able also to lead a single man in Paris, Texas, to Christ and see him baptized at Ramseur Baptist Church. We rejoice in seeing the Lord working through us at home and abroad.

Thank you all for being so faithful to pray for us and to support this ministry financially. I have enjoyed visiting many of you already. Please continue to pray for me while I travel, and for my family holding the fort in Guatemala.

Your co-laborers in Christ,

Daniel Coates and Family
