September 2018 - Panama Institutes, New Institutes!

Dear Praying Friends,

Today I would like to share with you the life of a wonderful Christian, who has really impacted the country of Panama.

Arnulfo Olivo – Missionary to Panama, Central America: born in Hicotencatl, Mexico on February 13, 1970. Six months after his birth, his dad died. His mom moved to Monterrey to be with family. He was saved at the age of 14 while I was preaching an evangelistic meeting and he surrendered to preach at age 16 during one of our youth camps! That same year, he entered our Bible Institute & graduated in 1989. Even before his graduation, he started working in the church as youth and music director, then at age 21 he became co-pastor of Bethesda Baptist (Monterrey). He started the Fountain of Life Baptist Church (Apodaca, Mexico) in 1995 and then the Lord called him to Panamá in 1998. He went to Panama in 1999 with only 30% of his support and many promises.

Light House Baptist Church is where “Arnie” started out helping a missionary and then was called as pastor of a small congregation of 40 people. That congregation has grown, under his leadership, to over 200 in Sunday School, they support 28 missionaries and started a Bible Institute in 2002.

Light House Fundamental Baptist Institute: 15 people have now graduated from institute # 4 in Panama. Three of the graduates have started works in Panama. Between the three, they support 18 more missionaries!

Three other graduates are missionaries: one in Holland, another in Equatorial Guinea, and another in Uruguay. Because of this institute, three other institutes were started using our notes! (Institutes 9, 10 and 11.)

Institutes # 17 and # 18 added! Because of Arnie’s influence on pastors and missionaries, there is an institute in North Carolina and another one in Colombia, South America that also use our notes! If you do not support him, “Arnie” is worthy of your support!

Update on our health: Mateo, our grandson, is doing much better. Thank you for your prayers!

I am undergoing some studies on my heart, I have had palpitations and a heavy sensation on my chest. So far three tests have been done, I go see the Dr. in October for the results.

Michelle had another seizure and another stay in the hospital. Please pray that they can get the meds regulated and that this can be under control.

Thanks to all that support us, the Bible Institute and the C.L. Jones Memorial Fund (a fund to help new works with land and legal needs).

You make it possible for us to teach the Word to Hispanics, so that they can reach the world for Christ!

In Him who saved us,

Daniel L. Jones, Sr.
