Celebrating 45 Years as Missionaries

Thanks, be unto the Lord, for each of you!

We praise the Lord for these blessed times as we see souls saved, baptized and growing in the Lord. A couple weeks ago an elderly lady came and stated that she is coming to stay and wants to be a member. Her family had been witnessing to her and God heard our prayers. We have grown to capacity in our building and ask you to continue to pray for a lot to build a church on. The Honduran people and the government do not believe it is a church until it has a building. We are negotiating on a lot and ask for prayer for offerings to buy and build.

February was our National Ladies Conference. Lena was the speaker. There were many blessings. There was a good number from four churches and they were challenged to be humble servants to the Lord

Every year we have to do a large amount of legal paperwork to keep our mission works, institute and churches registered and legal. We are busy working on those papers now and will be required a fairly large amount of money to submit them. This is always a challenge and we appreciate your prayers.

Our mission work is supporting missions in the department of Intibucá in Honduras. Brother Jacobo and his wife are faithfully reaching the villages and towns in that area where there is not a Gospel outreach. They are preaching in the parks and people from all around come to hear. It is a great blessing to hear the report from them.

Youth camp is coming soon and we need your prayers and special offering for this year. We need to raise \$600.00 right away. Would you please pray about sending your special offering and let us know immediately what you are doing so we can tell the campers that they will have the funds to go. The young people are working hard at raising their part of the funds. They are making and selling hamburgers this week and next week they are having a garage sale.
