Celebrating 46 Years as Missionaries

July 2019

Thanks, be unto the Lord, for each of you!

Saludos de Honduras (Greetings from Honduras)

The Lord has continued to save souls. It is exciting to see His people witnessing and reaching out for the Lord. The new Christians are coming from broken homes, environments of drug and alcohol abuse, as well as sexual and child abuse. It is a wonderful experience to show them how Jesus can solve every problem and heal every hurt.

Our mission work, Iglesia Bautista Gracia, hosted the city youth meeting. Our three churches attended with an attendance of 38. This was planned and executed by our young people. Leslie, our son, brought a very good message. Each church brought refreshments and we had a great time of fellowship. Most of these teens have been to youth camp together and it was fun to get together again. The Lord is so good to bring about these events.

Thank you for your prayers for the purchase of a lot to build the church for the mission work. It is pleasing to see the rented building full but emphasizes the need to build. The process is in the hands of the lawyer but there has been a legal problem with the title; and, of course, when it is ready we must have the money to pay for it. Three hundred dollars have already come in for the purchase. We thank the Lord and those who are praying and giving. We must raise 30,000.00 dollars for the purchase of the lot.

It is a privilege for the mission work to have our Honduran missionary, Jacobo Nazar, preach for us at the mission work, and also one of our leading pastors from the capital city is coming to preach a couple of times. We will have our son, Leslie, come to preach also with emphasis on missions. We would like to support another missionary.

Almost every day the United States Embassy is sending out warnings for visitors not to come to Honduras at this time and for us to have limited travel. There are some political demonstrations going on. We appreciate your prayers in that regard as well as for protection from the evil around us.

There are many blessings for us to give thanks unto the Lord and to you for your prayers. I enjoyed leading Jose Angel to the Lord. Lena has been excited working with the teachers and teenagers. Both have been growing. Ana has stepped up to take on additional leadership responsibilities and we see spiritual growth all around.

Thank you.

Yours in Christ,

Harold and Lena Priday
