Celebrating 47 Years as Missionaries

May, 2020

Thanks, be unto the Lord, for each of you!

Greetings,

As you can imagine these have been very difficult times for your missionaries. I hope you are getting our prayer updates, if not please send your email and we will keep you updated to our ministry and ourselves.

We were put on quarantine in Honduras in March 9th. This cancelled church services and limited living conditions. We learned with our son, Leslie, and grandson, Halbert, how to do services by internet. That was great! We took turns preaching for our three churches and others have joined us. BUT; most of our people do not have modern phones and no internet. Therefore, our effort to reach them has been limited. We are reaching some people outside our normal outreach including some from other countries.

Upon the embassy's encouragement, (they have arranged flights out for over 7,000 US citizens and residents) and with our doctors encouragement we left Honduras April 30th. All Honduran airports are closed and the airlines were specially arranged flights by the embassy. However, we had to pay double for the++ tickets.

Lena had an eye operation scheduled to take a film off that was blocking her vision in both eyes. It has been postponed three times because of the virus condition.

Please pray that we will be able to get back to Honduras in June, our tickets are bought, but the airports remain closed as does our town to any incoming people. There is no word when it will open up but they are indicating it will be another month of very strict quarantine.

Government offices have been closed since the 1st of March so the title has not come out for the church property. We appreciate your prayers on behalf of getting a building constructed; but, we have to wait for a clear title.

Thank you for your prayers for our health and welfare, as well as for your support through this challenging time. We remain grateful for your part in the Lord's ministry in Honduras.

Yours in Christ,

Harold and Lena Priday
