Harold and Lena Priday

Celebrating 47 Years as Missionaries

November, 2020

Thanks, be unto the Lord, for each of you!

Dear Friends,

Your prayers have brought us through very challenging times and continue to be needful each day.

Son Leslie's wife continues to be very critically ill with cancer and complications. She is a little better as a result of your faithful prayer. She has spent most of the last two months in the hospital. Alba and Leslie are in Dallas, Texas for the cancer treatment.

The two hurricanes have passed over us and again your prayers were a great help. The Lord took great care of us and our church. We are working with our church to help the flood victims with food and clothing.

The rain did slow down our church building project but nothing was damaged. The foundation for the fence is about done. This is to turn away flood waters from the church building. The septic tank is dug and block ready to be laid. The trees have been cut down and are being cut into lumber for us.

We will be spending Thanksgiving with the new missionaries, J.D, Vanessa Young and family. The turkey is being readied and pies will soon be baked. We have a lot to thank the Lord for. May you have a wonderful Thanksgiving.

Lena will go back to the eye specialist to start the next step to restore her vision. The doctor is hoping a new procedure will avoid cornea transplant. We certainly need your prayers in behalf of her eyes as well as for the rest of her health. She is busy getting the church ready for Christmas.

We do wish you a ***Very Merry Christmas***. We will get to spend it with our family in Texas where almost all of our children are. This will be the first time with our two smallest grandchildren.

Yours in Christ,

Harold and Lena Priday
