Celebrating 48 Years as Missionaries

February, 2021

Thanks, be unto the Lord, for each of you!

Greetings from Honduras,

We are having a fine time in Honduras. The Lord has blessed with good attendance in our work despite the limits the government has placed on us. One of our Sunday School teachers is out with the covid9 virus. Our preacher in training was hit by a hit and run pickup while he was riding his motorcycle in August and has just now been able to come to church. He will be partially disabled for life.

The work on the new church building is going along very well. The lot has been cleared and leveled and the foundation will be finished soon. We will run out of funds for building supplies soon. Will you please pray that the Lord would supply the needs to finish. We need to raise about \$10,000.00 soon.

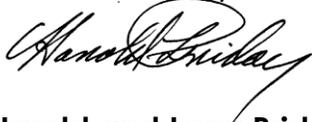

We recently had four of one family saved and another lady. We praise the Lord that we can make a few visits even though the government has really restricted our getting together. In the church we have to maintain six feet between each person which does not give us enough room to grow.

Thank you for your prayers throughout this last year. The Lord has protected us from the virus. The mission work has done very well throughout this time and the building construction has gone well.

Below you can enjoy seeing us haul water for building and see the foundation coming along nicely. The foundation should be finished this week and the walls begin next week.

Yours in Christ,

Harold and Lena Priday
