

Update About the Property

Dear Friends,

Yesterday, I sent out a letter that stated we have an investor who is willing to pay 1 million in cash for the building and property. (For those who have asked, it is a business owner/private investors who have asked to remain anonymous.) However, before they make an offer, they want to know that we can do our part financially and asked that we raise \$200,000 towards it. I am pleased to announce that a few churches have responded, and we already have \$30,000 pledged! There have been several Pastors who have said that they will be letting me know Monday or Tuesday what their church decides to give. I understand that this is contingent upon the seller accepting our offer. Therefore, we are only asking for verbal commitments to be able to take back to the investor. There have been some churches that have pledged to give over the next several months to help us reach the \$200,000. The investor does not have an issue with this as long as we have the backing to support this endeavor pledged ahead of time. We serve a God who makes the impossible possible! I am reminded of what Paul writes in Philippians 2:13 "For it is God which worketh in you both to will and to do of his good pleasure." We thank you for being a part of it all!
