

On the Wings of Prayer

"Because thou hast been my help,
therefore in the shadow of thy wings
will I rejoice:" Psalm 63:7

Dear Friends,

I have a goal to raise \$200 in additional monthly support for the mission office. We currently have an accumulated deficit of about \$750.00. I increased my personal support to the mission office by \$50 a month beginning January 2013. I have asked our missionaries to increase their level of support. I am asking you also to prayerfully consider increasing your support to the mission office to help us reach this goal. If everyone that can will do a little, the mission office finances will be back in order.

Another way you can help us would be to choose to receive your contribution receipt, Wings of Prayer, and contribution form by e-mail. If you would like to do this, send your request to missionoffice@ibfi.us. Please include the name of your church, city, and state. This will help us to reduce our mailing expenses.

We thank you for your faithful prayers and financial support for world missions. Sending the Gospel of Jesus Christ to every creature is our duty. Your prayers and support are necessary and will be rewarded by our Lord.

I ended up by asking Him
