Daniel Coates Family *Missionaries to Guatemala*

Plans for the Future The Next Generation

Since returning to the U.S. for furlough, our family has taken some time off to rest and enjoy friends and loved ones. We also celebrated our eldest child, Jessica's, graduation from High School. She has already completed one year of Seminary in Guatemala, and plans to continue her Bible education at Norris Bible Baptist Seminary in August. She will be greatly

missed when we return to Guatemala this Fall, but we are excited to see what God will do in and through Jessica's life! Your prayers for her are greatly appreciated.

Common Ground Baptist Camp at Dry Creek, LA More Decisions Made to Serve the Lord

We have been able to report to some of our supporting churches in North Texas, but also got to enjoy a week at

this wonderful youth camp, some of us as counselors and the rest as campers. It was a refreshing time to focus on the Lord, tweak our spiritual lives, fellowship with like-minded believers, and recommit ourselves to Christ and His work. It was a blessing! Many thanks to those who saw our coffee and leather goods fundraisers, and gave to our camp fund so we could go. God bless each of you!

We look forward to seeing more of you in the coming months as we continue to report on our work in Guatemala, and when we travel to Ohio in October for the Fellowship Meeting there. Thank you for your continued prayers and financial support!
