New Members

We were blessed to baptize new members this July. Three from the same family, Victor 13, Carlos 12 and Madeline 10 (pictured at the left), and a young adult, Pablo. These were the last members baptized at our old building. After 15 years meeting there, we learned that the owner was going to divide up the property, and we had 30 days to find a new place to meet. At our last service there, we had a testimony time, sharing memories and thanking God for all the ways He had blessed us at that location, hundreds saved and dozens baptized... We will miss the place, but the CHURCH keeps going forward!

New Building

We are excited about moving the church into a nicer, more spacious building in zone 1 of La Esperanza. This property is actually much better suited for us, and our sad departure was a blessing in disguise. The rent is substantially higher, but we are trusting the Lord to provide as He has never failed to do. During the first service at our new location, a young woman visited and listened intently to the message. She trusted in Jesus that day, making her the first person to be saved in our new building! We do believe God has a lot of great things planned for the work of the Lord in this place. Change is hard, but God blesses our trust in Him.

Heritage Medical Team

We rejoice in all that the Lord has done once again through the Medical Mission outreach team made up primarily of the good folks at Heritage Baptist Church in Haslet, Texas. During their week with us in July, 1149 people were ministered to, and 244 folks made professions of faith in Jesus! We love and appreciate Bro. Phil & Sis. Rachel and the hard-working team they bring with them. Pastor and Mrs. Charles Pugh joined them this time, and it was a real joy to work alongside them as well.

We greatly appreciate your continued prayers and support of our family, serving the Lord in Guatemala.
