Great National Celebration

We enjoyed celebrating One of our church families that is prepared for many God for His goodness. We love in Guatemala's 204th birthday.

Guatemala's Independence Day on September 15th. taught us all how to make "paches," the traditional food celebrations here. We had special services to thank our people and the country of Guatemala, and rejoiced

Other Births

Our church soulwinning program continues to bear fruit.

Our youth are learning how to lead others to Christ and go out almost every week to witness and pass out tracts. We have seen many come to Christ through these efforts, and we rejoice in many new births into the family of God!

We also had another little one born into our family! On October 9 our eldest daughter Jessica, her husband Luis, and little Luisa, happily announced the birth of Alejandro Enrique. Mrs. Tammy and our teen daughter Jeannette were able to fly to Texas to attend to Jessica and the baby, and assist their family during her recovery. We praise the Lord for his safe delivery. He is so precious!

Looking forward, we are preparing for Vacation Bible School when the students break from their schools in November, and for several camps and conferences in November and December. We thank you all for your continued prayers for us and the ministry here in Guatemala, and also for our grown children as they work and study in the States. We remember you all in our prayers as well.

Serving the Lord in Guatemala,
