Dear Praying Friends,

In this letter we want to highlight our two main works, on both sides of the border.

**Bethesda Fundamental Baptist Church in Mexico**, Pastor Juan de Dios Garza (pictured to the right with me). Their evangelistic crusades were a great success, with **257 souls saved** and a big increase in Sunday School. When we left the church in his hands, they were averaging around 350 in Sunday School. After these crusades, they reached a high of 468 and averaged over 400 in the month of June! Please keep this work in your prayers. They just had their annual Vacation Bible School, with wall to wall children and adults and a high of over 300 with **28 souls saved!** There are 9 other VBS going on this summer that are from the missions from this great church.

Pray for **Joel Sánchez**, the young man that was getting further training with us. He had to go back home due to kidney stones in both kidneys!

**Bethesda Baptist Church in McAllen:** In the month of June, we averaged 39, with some of our folks out on vacation. We had a great father's day service with over 40 in attendance. The picture to the

left is of the fathers present that day. The church took on another missionary in June and we now have 3 missionaries! A total of 8 graduated from our first discipleship classes, and several more are awaiting us to start it up again! We now have our first ushers, and several that help count the offerings and some volunteers that do the decoration of the church too! Please pray that God will provide for us a place of our own (our rent is high) and more folks who will be willing to participate in the services. Most of all, pray that God would use us to reach many souls for His cause, baptize them, and disciple them to go out and do what He has commanded.

**Medical News About Michelle:** Michelle is doing better with her asthma and her migraines and is undergoing treatment for her sleep apnea. Some of the medications have caused her to gain weight and have high blood pressure. Please pray that this will get under control.

In Him,

*Daniel L. Jones, Sr*
