Report of July, August and September 2025 – Souls saved!

Dear Praying Friends,

In these 3 months, the Lord has blessed us with an average S.S. attendance of 103, with **18 saved and 2 baptized!**

July was a busy month, with **VBS** (Melissa Houston directed it, and **we had 8 children saved!**). We had a record average attendance of 148! We thank Pastor Paul Bolivar and the Spanish ministry of Worth Baptist Church for coming down and helping us! **Camp** was next on the agenda. We had 32 go to our first solo camp! It was a lot of work getting the camp sight ready, planning the meals and activities and the theme (Adding to Your Faith). We had **4 saved and 8 campers dedicate their lives to the Lord!** We thank God for Bro. Jeriel González, our youth director, who spearheaded this activity.

In August, we honored our teachers and helpers in Sunday School & Children's Church. I went to Indianapolis, Indiana to preach the 14th anniversary of the Iglesia Bautista Nueva Vida, where **2 were saved!**

Betsda, we had our own missions conference. We had 3 missionaries come and our faith promise was close to \$40,000! **Next year we will be supporting 44 missionaries!** In these three months, we've seen **6 saved on visitation, and one saved by phone!**

Please keep Michelle's health in your prayers. She is due a minor procedure on both eyes on November 7th, and we will be consulting with her pulmonologist about a possible major operation to correct her tracheobronchomala-cia. This would require a trip to Michigan, one of only 2 places where this surgery is performed in the US. We do not know if the insurance will help on this or not, but her situation is getting worse every month. Please pray!

In Him who sees all things,

Daniel R. Jones, Sr.
