In these fall months we praise the Lord for His work here in central Mexico. We had a month-long mission's emphasis with a missionary family for each Sunday. They shared their burden for the field of souls in Colombia, Argentina, Ecuador, and Venezuela. At the end of the month, we had our Faith Promise giving. Each person promised a certain amount each month for one year to give to missions this is called faith promise. We took up the cards with the amount promised of each person that wanted to give without placing their names on the card because this promise is between the individual and God. The church promised \$92,400.00 pesos which comes to \$5,133.00 dollars. We praise the Lord for the church to support worldwide missions.

In these months we have had Sunday evening soul winning. We go out to spread the gospel house to house or person to person in the street. We talked to people that would listen and some refused to listen. But there were four people that trusted Christ as Saviour. And there were two other people saved on a personal house visit and one saved at church.

Also, we thank the Lord for a young man named Jesus Jimenez who had been saved and has been coming to the church for over a year. He decided to follow the Lord in believers' baptism. We are thankful for his obedient of faith to the Lord.
