All is well in Honduras and in the Priday household thanks to your prayers.

The operation healed very well and the eyes are doing well also.

We were privileged to have Mr. and Mrs. J. D. Young in our home for ten days to study the mission field. They left with much information and experience. We passed out 600 books of John and Romans and about 1000 tracts while they were here. Brother J.D. preached with a translator in the churches in Colonia Matta and Barrio Bajo. We dedicated the time to preparing them for service in the mission field. Brother J.D. has two more years to study and is praying for definite direction in his life.

I have been busy preaching for Reverend Polo since he had heart problems. Many prayed for him and all is under control and he is doing well. He is able to resume pasturing the church again. This again was direct answer to prayer.

Lena's ladies class is going well and they are reaching out further in service to the Lord. The class has grown and she was able to lead one to the Lord.

Nathan finished this year in school with very good grades. He is taking a summer class and enjoying his friends.

Please pray for the Men's conference that I will be doing in September in the Bible Institute. We need to do some repairs and painting in preparation for the meeting and I appreciate your prayers as I prepare the lessons.

We continue with working on the Sunday school building in Colonia Matta. Last week we were putting in some of the electrical wiring and Wednesday hope to get two rooms done and ready for use. We bought the floor tile today and hope to have the floor put in the larger room that is for multiple uses.

**Thanks, be unto the Lord, for each of you!**

**Yours in Christ,**

  
**Harold and Lena Priday**
