Thanks, be unto the Lord, for each of you!

We are seeing results of camp as the young people respond to the Lord. Iglesia Bautista Calvario brought two to use the baptistry in our mission work. We had a joint service and I preached from Romans 6 on baptism and its significance.

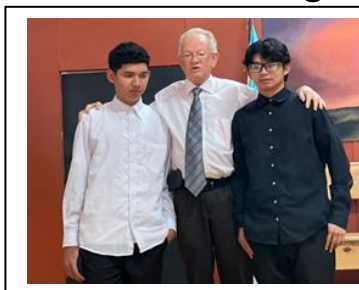

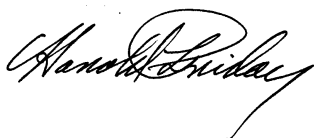

We had four saved in their home two weeks ago, 3 adults and one teenager. Today another received Christ as her savior, a single mother of a one year old abandoned by the father. The mother certainly needs the savior.

We had two men surrender to take leadership classes. I am giving the classes on Monday nights. The classes have been a real blessing to me. Please pray for Carlos and Keven. Carlos owns his own carpenter shop and Keven is a professor at high school.

Please pray for my health. The doctor is sending me to the states for an operation. Though it is a minor operation, Honduras does not have the capability to do it here. Please pray for provision for plane tickets and extra medical costs. It will be done by a specialist which has to go through a process and takes time to coordinate.

Thank you for praying. Please pray also for souls to be saved. This once was known as a Christian city but now it has turned against the Lord. The cold hearts are occupied by the world.

Here is a picture of the baptism.
