

The Young Family, Missionaries to the People of Honduras

"Come over... and help us."
Acts 16:9

Greetings Churches and Friends,

November 2018

It has been a whirlwind year so far. After returning from Honduras in March and confirming God's call to minister to the People of Honduras, we were voted on by our church, Lighthouse Baptist Church, in April to become official missionaries. The ministry has been named 'Help For Honduras' and our key verse comes from Acts 16:9 where it is written "Come over ... and help us." We believe men and women of Honduras have been praying much like the Macedonian man for a Gospel witness to come over and help them out of their lost condition through the sharing of the Light of the Gospel only found in the scriptures. We have been busy laying the groundwork for deputation. We finished gathering all the supplies we needed such as prayer cards, banners, and display table items. Our Deputation Presentation video has been completed also. We then started booking meetings at various churches to share our ministry. In October, I traveled to Dayton, Ohio for the Independent Baptist Fellowship International meeting where they added their stamp of approval for our ministry. I look forward to return to Ohio in March to present our ministry to Cornerstone Baptist Temple. We have been in 9 different churches this last month and have had the opportunity to meet many fellow believers from those churches. Our schedule is beginning to fill up with many meetings coming up next Spring. We look forward to traveling and meeting many more churches over the next several months. Pastors, don't hesitate to contact me if you would like our family in to share our burden for the Honduran People. We would love to share our ministry with your church family.

In Christ,

Jimmie Young
