

The Young Family, Missionaries to the People of Honduras

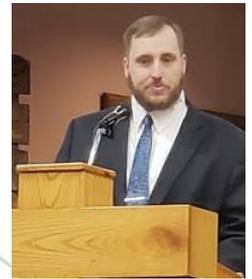

"Come over... and help us."
Acts 16:9

Dear Churches and Praying Friends,

March – April 2020

We want to thank you for your continued support during the strange times we currently live in. We have had several meetings canceled, but we give God the glory that we have been able to continue to save money despite the challenges due to the lockdowns. We are thankful to the many faithful churches that have continued to support us, while their people have been dealing with this situation. We know that God works all things together for good.

We want to thank Central Baptist Church of Denton, Texas for the great Mission's Conference in March, just before the lockdowns. Pastor Shelton and the church were such a blessing to our family. We are still scheduled for two meetings at the end of May in Oklahoma. Please pray for those churches and wisdom concerning reopening.

Please also pray for Honduras as the entire country has been on lockdown for over a month. They do not have the infrastructure to deal with this virus as the United States does. Many are struggling to feed their families as they have been unable to work. We pray that soon we will be able to minister to these people.

Prayer List:

- Traveling mercies as we visit new churches
- Our children adjusting to life on the road
- Raising further prayer and financial support

In Christ,

Jimmie Young
