Greetings from Honduras. It has been amazing how fast this year has been passing by.

We are finally seeing the country open up and have been able to increase our evangelization efforts. We have already seen a few souls saved through door-to-door outreach. Masks are still required in stores and businesses here, however.

Please pray for Alba Priday, wife of Missionary Leslie Priday, who we have been helping here. Her cancer has returned, so they have returned to Texas for more treatment. We have continued helping where we can. I have been preaching two or three times a week in his absence.

I had asked a while back to pray for my wife, Vanessa, for her health issues. She had several tests and check-ups with the doctor, and I am pleased to report she only has a minor health issue that is not too serious. Please continue to pray for her healing.

We are still in prayer on where to plant a church. God has not yet opened the door on this. We ask for your continued prayers on this as well.

Thank you for your prayers and support for our family and ministry.
