Hola from Honduras. This year has been passing by quickly. We have now lived here in Honduras for two years. I am amazed at how God has worked through us and our ministry since we started this journey. We began deputation in the Fall of 2018. Even with the beginning of Covid in 2020, we managed to arrive here on the field later that year. We focused most of the last two years on learning the Spanish Language. Though my Spanish is not perfect, I can communicate effectively.

When we arrived here two years ago, most of the country was on lockdown. The

country has opened back up from the pandemic except for a couple of restrictions.. Life here is back to normal. In August, we were able to take some youth

ziplining over a waterfall. It was a new experience for all of them. They all enjoyed that experience.

We initially planned to be here in Siguatepeque for two years and serve with two veteran missionaries. Within the first week of arriving, one of the missionaries' wives learned she had cancer and traveled to the United States for treatment. After much prayer, we have decided to remain serving here in Siguatepeque for another six months to help out where we can before leaving to establish our work.

We are in prayer over where God would have us serve in the future. There are a few areas that we are praying about serving. We ask that you would pray with us as we seek a place to start a new church for the glory of God. We plan for this move to occur in the Spring of 2023.

Thank you all for your continued prayer and support of our ministry and family!
