Greetings from Honduras,

We hope everyone had a great Thanksgiving. We want to thank our supporting churches and praying friends for their faithfulness. We thank God for the opportunity to serve Him every day.

We ask that you pray for my father-in-law, Randy. He was recently diagnosed with both prostate and pancreas cancer. He has since started chemotherapy. Our kids recently had the opportunity to see him for the first time in two years. We ask that you pray for his healing during this difficult time.

We ask as well that you would pray for Alba Priday. Alba is the wife of Leslie Priday, whom we have been serving with here in Honduras. Her cancer has returned and has been growing. We ask that you would pray for her healing.

I have had the opportunity to preach in new locations in Spanish and we thank God for that opportunity. We count it a privilege to share the Gospel in Spanish and with those of different cultures.

Our desire is to start a new church next year. We have been praying fervently for where our Lord would desire us to do this. We ask for your prayers in this as well. There is a need all around the world, but we know that there is a special place for us in His work.
