Saludos (Greetings) from Spain,

First, we want to thank everyone for their ongoing support for our ministry here in Cartagena, Spain. We have had a busy few months here in Spain. During March, I preached the aspects of the Gospel (Life, Death, Burial, and Resurrection of Christ) to many here while there were various celebrations throughout the country.

We have had a pair of Honduran sisters start visiting from the Department of Olancho in Honduras. We ask that you all pray for their continued growth and learning of the word of God. We have also had a married couple and another lady from Bolivia who have recently started attending. Please pray for their growth in the word as well.

Two faithful men who have been a part of our services from the beginning are currently out of the country. One is on a temporary work contract in Belgium, while the other is in Ecuador to see family. He has had the opportunity to preach to prison inmates there, while in Ecuador. The other is visiting a Belgium church. We eagerly await their return to Spain in a couple of months, but it is good to know that they are serving the Lord in the places they currently are.

Our family has just about finished moving from a small town about 25 minutes away by car from our church work to an apartment about 5 minutes away on foot. Being closer will help us minister more effectively to the people here in Cartagena. Thank you all for your continued support and prayers for our family here in Spain!

**In Christ,
The Young Family**
