Bringing Christ's light to

NORWAY

Nov-Dec 2025

Greetings Pastor and Fellowlaborers,
Merry Christmas and Happy New Year!

We arrived back in Texas in November to warm weather again. Most of our meetings were close to home so I was able to help my dad around the house with some projects, like rebuilding the fireplace as well as trimming a tree, during this time at home as well as we were able to be home for the Holidays. We are Grateful for the time spent with churches as well as time to spend thanking the Lord for his blessings, celebrating His birth and remembering why he came and preparing for the New Year.

We were in churches in Forney, Midland, Stephenville as well as at our sending church's Missions Sunday. Each church was a blessing to us and we are grateful again to them. We were blessed to be in their services and to present our field as well as try to minister to them.

Please continue to pray our support goes up. We are still traveling and presenting and ministering, it is just a slow climb and your prayers encourage us. God has continued to guide and direct. Elizabeth's studies are going well and I am still studying toward the AS visa, please continue to pray for us in these matters as we try to make sure we are all set when the time comes.

Philippians 4:18,19 "But I have all, and abound: I am full, having received of Epaphroditus the things which were sent from you, an odour of a sweet smell, a sacrifice acceptable, wellpleasing to God. But my God shall supply all your need according to his riches in glory by Christ Jesus." God has truly taken care of us these last two years and more. We have abounded thanks to you. We haven't missed a meal, we have seen the country, we have connected with people we would have never thought imaginable. We have connected with you. God will bless you for your faithfulness. He will supply all our needs. Amen.

May the Lord bless and strengthen you.
In Christ, Jared and Elizabeth Blair

Our Prayer Needs:

- Please pray for a full, effective deputation schedule as we prepare for the new year.
- Pray for travel safety.
- Pray for continued progress for our visa plans.
- Join us in praising the Lord for what He has already done- keeping us safe, showing us what our next steps are, and the witnessing opportunities we have had along the way.

Due to Norway's visa system, we could be kicked out of the country prematurely if they discover we are missionaries. Please do not post our prayer letters online or read them during livestream or service recording.

Thank you for helping us out in this way.
