Greetings Pastor and Fellowlaborers,

We started March in Ohio and then headed up to Michigan for a few meetings. We had good fellowship in these churches and got to see old friends, as well as had a few take us on Praise the Lord! One of the churches we were in had a Bearing Precious Seed Ministry and, while I was a meeting with the Pastor, Elizabeth was able to help put some John and Romans together! These particular John and Romans were destined for the church that we had our next meeting with. We were able to hand deliver them-what a tremendous blessing!

We then headed back down to Ohio for a short while for more meetings. During this time, we also were able to start filling our schedule better for the year. We also went down to Kentucky for a while to do the same before heading back to Texas to be home for Easter. We have been in Texas in April from North to South. We have been with Churches both small and large and been able to enjoy fellowship. We were well taken care of and are Grateful for the journey the Lord has put us on.

Please continue to pray our support goes up. We are still traveling and presenting and ministering, it is just a slow climb and your prayers encourage us. God has continued to guide and direct. Elizabeth's studies are going well and I am making progress on my research for starting a business. Please continue to pray for us in these matters as well, as we try to make sure we are all set when the time comes.

Above: Elizabeth was assigned to the staple machine. It was her job to combine pre-separated, folded, and collated "text blocks" with the covers and staple them neatly along the spine.

Romans 10:12 "For there is no difference between the Jew and the Greek: for the same Lord over all is rich unto all that call upon him." This passage is talking about salvation, yet I think we need to remember the concept when reaching people and ministering. It doesn't matter where someone comes from—we are to just give them the gospel and if saved minister to them. We are of one faith and have one Lord.

May the Lord Bless you and strengthen you.  
In Christ, Jared and Elizabeth Blair
