October / November 2018

Dear Friends,

Always a good time to close out the year with "Thanksgiving and Christmas. Both has to do with the moving of the heart, toward God and Man. I like the fact that both are a great way to include the entire family, and in some cases a time to bring families together.

In October....we were able to see good church attendance from a year ago, in which we saw it double from last year. This Reservation is very traditional, yet the Lord has saved a few along the way. Our Sunday School is also growing from a year ago, and that is usually a way to determine growth of a church. Regina and I went to Oklahoma to hold a Revival meeting in Talihina for the Grace Indian Baptist Church, Pastored by Raymond Johnson. We had a good meeting with great attendance and on Saturday we enjoyed the presence of several visiting churches from the area and the preaching from some of the preachers. My wife was also a speaker for the Ladies Meeting and there was a lot of women attending. It's good to leave a meeting when you can sense the work of Revival!

In November....we saw the arrival of our twelveth Grand Baby. She was born on the 11<sup>th</sup> of November and her name is Eleanor. She was 8 lbs./2 ozs. and she is beautiful. Our daughter Tosha, is 43, with Gabrielle 18 and Kai who is 7, and now Baby Eleanor. Her husband Matteo is a proud daddy and a good family man who loves his children and that is a blessing! November also was a time to get family together and we really had a good time with family and the meal was wonderful with our teen girls beginning to help with their specialty meals and every testimony around the table was Thankfulness for the family. At church, we shared a meal with 85-90 people and had about 13 first time visitors and several of them have been back since and really listening to the messages. There was a good response to the Spirit during the alter call and you keep praying for the Spirit's call.

Pray for us....Good News Club meets every Tuesday from 1 – 3:30
