## ROCKWALL BAPTIST CHURCH

Dear Pastors and Praying Friends,

We have seen a lot of growth over the last half of 2025. We have added three new families as members and have seen souls saved. We currently have four awaiting baptism.

Our sanctuary update is in the final stages. We have replaced the old fluorescent lights with can lights, painted, added a chair rail, replaced ceiling fans, and added screens and new speakers. We are in the process of adding a faux rock wall to the baptistry and hanging a cross there. We hope to move towards the foyer soon for some updates there as well.

This past Fourth of July, we did an outreach in our parking lot by giving away free hotdogs and Bibles. It was a huge success! Our church is located in Downtown Rockwall, and the city fireworks are nearby, so we have many people using our parking lot to either walk to the park to watch the fireworks or view them from our property. We were able to hand out about 240 Bibles. We had many people approach our table and say, "I don't want a hotdog, but can I have a Bible?" It was wonderful! We are already making plans to do it again this summer and would like to add a regular Bible giveaway to our routine outreach.

In January, we added the Murila family, missionaries to Kenya, to our missionary family. What a great start to the new year! We would love to add more this year. We currently support 28 missionaries. Seventeen of those twenty-eight have been added in the past two years. The Lord has really blessed us with the resources to support others in the work.

We are praying that God will provide a van for us to take our teens to camp this summer and pick up some of our elderly people that would like to be able to attend. We would also like a lawnmower so that we can take care of our lawn. This past summer, we used a lawn service, and we would like to be able to save money in that area. Please pray for these needs with us.

In Christ,  
The Roa Family (Tony, Melissa, Audrey, and Caleb)
