

On the Wings of Prayer

“Because thou hast been my help, therefore in the shadow of thy wings will I rejoice.”

Ted Wayne Johnson

January 17, 1952 – December 8, 2025

Born in San Antonio, Ted was raised in Monterrey, Chihuahua, and Torreon Mexico where he learned the ministry from his parents, Missionaries Sydney and Dorothy Johnson. Ted married Karin Goza in 1974. They served as missionaries to Mexico beginning in May of 1977. Ted started churches and mission works. He worked with camps, retreats, and Bible institutes in locations across northern Mexico until suffering a stroke in his home in Torreon in February, 2007. Having known Ted since the early 1980's, one thing that was evident to me is that Ted had a calling. Ted served the Lord with a certainty that God wanted him to do His work. God chose Ted to perform many soul winning and church planting works over the many years of his ministry. In the last years, as Ted worked to recover his health, he had plans to return to Mexico or to be fruitful where he was. Ted never quit, he never gave up, Ted was faithful.

Ted is survived by his wife, Karin; daughter, Rachel Ayala of San Antonio; son Joel and wife Karina of Chihuahua, Mexico; grandson, Yadid Ayala of San Antonio and Sister Marilyn Chavez of San Antonio. Ted was preceded in death by his parents Sydney and Dorothy Johnson and his son Steven Johnson. Ted would want you to know, “To get ready, Jesus is coming soon!”
